STAT

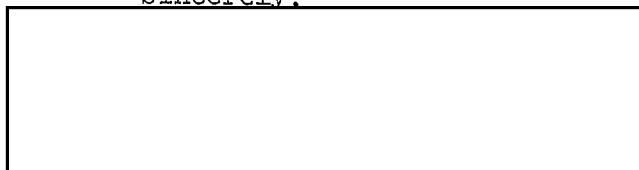

Since General Walters wrote to you on 16 August, we have explored job opportunities for you with all of the Agency officials who might possibly have an interest in your substantial background and experience. We are sorry that this extensive review did not result in our identifying a position at this time that would take advantage of your offer to serve with the Agency.

We appreciate your interest and regret that our response could not be favorable.

Sincerely,

STAT

Deputy Director of Personnel
for Recruitment and Placement
